Dear Valued Customer:

Thank you for choosing Selective for your flood insurance needs.

Enclosed you will find your Flood Policy Declarations Page, the National Flood Insurance Program's Summary of Coverage, Selective's Notice of Information Practices, and Claims Guidelines in Case of a Flood.

Please review your Declarations Page to ensure the information is accurate. Inaccurate information may impact your policy's premium. If any changes are needed, please contact your agency or email our customer service team: FloodCustomerService@selective.com. Questions regarding prior claims history must be directed to the Federal Emergency Management Agency (FEMA) at (877) 336-2627 or FEMAMapSpecialist@riskmapods.com.

If you find that your renewal premium is lower than the Full Risk Premium shown on your Declarations Page, this may be because your policy was previously rated using subsidized rates. FEMA has recently reformed its rating methodology. **This new rating methodology is commonly referred to as Risk Rating 2.0 (RR 2.0).** RR 2.0 utilizes equitable rates based on the value of your property and its exposure to flood risks. The Full Risk Premium shown on your Declarations Page is the total cost of flood insurance for your property calculated under RR 2.0. If your renewal premium is lower than the Full Risk Premium, as long as your policy does not lapse your annual premium increase will be capped at 18% until the renewal premium reaches the Full Risk Premium. For more information on RR 2.0, please visit www.SelectiveFlood.com.
